

MISSION HILL

FAMILY ESTATE

2021 RESERVE RIESLING

An Uncompromising Expression of the Okanagan Valley.

VINTAGE REPORT

An extremely warm and dry start to the year. In early June, we experienced a cool and wet spell followed by an unprecedented midsummer heat leading to the earliest start of harvest and highest number of growing degree days on record.

WINEMAKER NOTES

Our 2021 Reserve Riesling was farmed in our West Kelowna vineyard, perched on the brow of Mount Boucherie. The rocky terroir is the legacy of an inactive volcano featuring a steep slope and southeast aspect overlooking Lake Okanagan. This hillside vineyard provides ideal growing conditions for Riesling and an extended ripening period.

TASTING NOTES

Notes of crisp pear, green apple and lime.
