EXHILARATION SPARKLING BRUT

AT LAST, A SPARKLING BRUT FROM MISSION HILL FAMILY ESTATE.

When we decided it was time to make a sparkling wine, our winemaker Darryl Brooker and Viticulturist Rob Achurch started by selecting specific vineyard blocks including DeKlaver Chardonnay. They then changed the way we grew the grapes to specifically make a Sparkling Brut they believed would show that the Okanagan could produce a unique and exemplary sparkling wine.

The result is incredibly enticing and we hope you will find it as exhilarating as we do!
