EXHILARATION! BRUT ROSÉ

An Uncompromising Expression of the Okanagan Valley.

WINEMAKER NOTES

When we decided it was time to make a Sparkling Rose, our winemaker Ben Bryant and Viticulturist Rob Archurch started by selecting specific vineyard blocks from two of our estate vineyards stretching across Black Sage Road and Golden Mile Bench in Oliver. Each one of our vineyards has a distinct microclimate, lending unique flavour characteristics to the Chardonnay and Pinot Noir used in this Brut Rose. First planted in 1996, our Oliver vineyards are incredibly diverse with more than 60 different individual blocks, affording us an amazing array of premium quality fruit.

TASTING NOTES

A summer bouquet of raspberries, peach and freshly cut watermelon. The effervescence and bright acidity develop in to an uplifting and crisp finish.
