EXHILARATION BRUT ROSÉ

An Uncompromising Expression of the Okanagan Valley.

VINTAGE NOTES

An extremely warm and dry start to the year. In early June, we experienced a cool and wet spell followed by an unprecedented midsummer heat leading to the earliest start of harvest and highest number of growing degree days on record.

WINEMAKER'S NOTES

When we decided it was time to make a Sparkling rosé, our winemaker and Viticulturist started by selecting specific vineyard blocks from two of our estate vineyards stretching across Black Sage Road and Golden Mile Bench in Oliver. Each one of our vineyards has a distinct microclimate, lending unique flavour characteristics to the Pinot Noir used in this Brut Rose. First planted in 1996, our Oliver vineyards are incredibly diverse with more than 60 different individual blocks, affording us an amazing array of premium quality fruit.
