FAMILY ESTATE

## 2021 RESERVE ROSÉ

*An Uncompromising Expression of the Okanagan Valley.*

### VINTAGE REPORT

An extremely warm and dry start to the year. In early June, we experienced a cool and wet spell followed by an unprecedented midsummer heat leading to the earliest start of harvest and highest number of growing degree days on record.

### WINEMAKER NOTES

Our 2021 Reserve Rosé was sourced from our southern estate vineyard in Osoyoos and Oliver. First planted in 1997, the Osoyoos Vineyard is the region's most southern area and comprises arid benchlands that benefit from the lake's effect providing the region with more than 200 frost-free days. The combination of the loamy sand soil and wonderful warm climate allows the grapes to completely ripen for full flavour.

### TASTING NOTES

A summer bouquet of raspberries, peach and freshly cut watermelon. The effervescence and bright acidity develop into an uplifting and crisp finish. Pairs with oysters on a half shell, a day at the beach or celebrating the little things every day.

**VARIETAL** | Pinot Noir (56%), Merlot (23%), Syrah (21%)

**APPELLATION** | Okanagan Valley BC VQA

**ESTATE** | Osoyoos East (62%), Black Sage Bench (38%)
