## 2021 RESERVE SAUVIGNON BLANC

*An Uncompromising Expression of the Okanagan Valley.*

### VINTAGE REPORT

An extremely warm and dry start to the year. In early June, we experienced a cool and wet spell followed by an unprecedented midsummer heat leading to the earliest start of harvest and highest number of growing degree days on record.

### WINEMAKER NOTES

The fruit from our 2021 Reserve Sauvignon Blanc came from Black Sage Bench (65%) and Osoyoos East (35%). Each vineyard has a distinct microclimate lending unique flavour characteristics to the varietal before it becomes part of the final blend.

### TASTING NOTES

Bright and intense fruit-forward entry highlighted by aromas of citrus, lemongrass, and a hint of bee's wax, balanced by a lively finish.
