TERROIR COLLECTION SIMES VINEYARD 2018 PINOT NOIR

*The uniqueness of site and soil;
a depiction of the diverse Okanagan microclimates.*

SIMES VINEYARD

Simes Vineyard has a northern facing slope and its soil consists of fine silts and clay leftover from glacial activity; this makes it quite challenging to bear fruit. The vines are forced to dig deeper to get their nutrients, and as a result, they yield smaller grapes of remarkable intensity and concentration

FLAVOUR PROFILE

Bright with red berries and subtle notes of spice balanced by a softly structured and well-rounded palate.

ESTATE | East Kelowna

ELEVATION | 420m-450m

SOILS | Fine silts and clay from previous glacial activity allows for soils with amazing water holding capacity and minimal irrigation

SEASONAL CONDITIONS | One of the coolest on record, perfect for flavor development and natural acidity retention

CLONAL SELECTION | 667

CANOPY | Cane pruned with vertical shoot positioning

MATURATION | 10 months in 100% French oak

ABV | 13.3% **TA** | 5.5 g/L **PH** | 3.49
