TERROIR COLLECTION 2017 CABERNET FRANC VISTA'S EDGE

The uniqueness of site and soil; a depiction of the diverse Okanagan microclimates.

VISTA'S EDGE

This small vineyard has west-facing slopes on the most southerly part of the Okanagan Valley's eastern side. When standing on this site, one has a feeling of being on the edge. Coupled with the "vista," the view and right-of-way at this unprotected international border where Canada and US connect, it was fitting to name this wine Vista's Edge.

FLAVOUR PROFILE

Intense blueberry, dark cherry and hints of cedar. The palate shows amazing depth, complexity and persistence, further supported by fine-grained tannins. There is a subtlety in the layers of flavour against a refined structure of bright acidity and tannins that are present but nicely contained.
